Reflections by Pastor Keith...

I wake up in the morning and hear the birds singing their praises of God. All around us the grass is turning green, trees are blossoming, flowers are blooming. Signs of spring. Signs of new life. It is time for Easter!

Yet, there is a cloud hanging over us these days, a dark, inhospitable, threatening cloud. There are reminders all around us. Social distancing. Wearing masks. Schools and stores and restaurants are closed. Worship services suspended. Record numbers of people now unemployed. Daily statistics of people testing positive with the coronavirus. Number of deaths due to Covid-19.

How can we possibly celebrate Easter under these circumstances? We won't get to celebrate with family and friends and neighbors. We won't be able to gather together for worship. We won't get to sing the great Easter hymns, at least not now. We won't get to eat the Bread of Life nor drink the Cup of Salvation.

But remember - Easter is not just worship on Easter Sunday. It is not just getting up early and going to a sunrise service. It is not just Easter egg hunts and family gatherings. We do all those things because of Easter. Easter, though, is more than that. Much more!

Easter is the new reality created by

the resurrection of Jesus Christ! And this new reality happens even when communal worship is suspended. This new reality happens when our lives are disrupted and turned upside down by the coronavirus. This new reality is true, it is real, and it is happening now.

For you see, our ultimate hope for new life comes not from the arrival of spring or a day on the calendar called Easter. We dare to hope for new life, life without decay and sickness and death, because Jesus rose from the dead! The resurrection of Jesus changes everything. It gives us assurance that Jesus is with us. It gives us a future with hope. It gives us joy and confidence and courage and faith and love for others.

The event of Christ's resurrection is such an earth-shattering, life-changing event that we must celebrate it - whether alone or together. We give thanks to God for Christ's victory over sin and death. Each day we seek to share Christ's love with others. Each day we pray that we may more fully experience the new life of Easter. Easter is our new reality!

The Lord is risen! He is risen indeed! Alleluia!

Yours in Christ,

Pastor Keith

Words of Wisdom

“The sting of death is sin, and the power of sin is the law. But thanks be to God, who gives us the victory through our Lord Jesus Christ.” 1 Corinthians 15:56-57.

“Death closes doors and Easter opens them.”
Pastor Ron Roschke

“Blessed be the God and Father of our Lord Jesus Christ! By his great mercy he has given us a new birth into a living hope through the resurrection of Jesus Christ from the dead.” 1 Peter 1:3

“Jesus had outgrown his tomb, which was too small a focus for the resurrection. The Risen One had people to see and things to do. Every time he came to his friends they became stronger, wiser, kinder, more daring. Every time he came to them, they became more like him.” Pastor Barbara Brown Taylor.
