## From Your Pastoral Leaders

### Faithful Living: Stewardship as Mission

Stewardship is an act of mission that moves the church from creed to practice.

The missional church recognizes that everything belongs to God, including the mission itself. God has a mission in this world and the church as a whole is used by God to accomplish this mission. Church members do not think in terms of what they are doing for God but rather are caught up in a profound and often surprising recognition of what God is doing for them, and to them, and through them.

### A missional approach to stewardship might entail making three moves.

- A change in emphasis – from a narrow focus on *faithful giving* to a broader focus on *faithful living*.
- A change in tone – from the demanding voice of *obligation* to the appealing voice of *privilege*.
- A change in motivation – from giving out of sense of *duty* to giving out of sheer *delight*.

A short-term approach views stewardship as a *means* for funding the church's mission – a long-term approach to stewardship does not view it as a

means to an end, but as the end itself. Stewardship *is* our mission: it is a way of life marked by participation in *God's* mission.

Every Sunday (not just every September) the mission church proclaims the good news that we belong to God and explores what it means to belong to God, to be stewards not owners.

### Implication for a mission-driven approach to stewardship:

- 1) the missional church is not simply or even primarily concerned with the money people donate to the congregation, but with how people acquire, manage, regard, and spend their money every day of their lives;
- 2) the missional church places all these aspects within a gospel framework, so that people can recognize how God is at work in these areas of their lives and rejoice in the privilege of being a participant in God's mission;
- 3) the missional church expects God's Spirit to produce the fruit of generosity within people and, so, promises people that they can know the joy of giving that is motivated by sheer delight, giving that is an expression of worship and of heartfelt love for God.

## Gordy

---

**T**he Olsburg Lutheran Church Council met on Wednesday, February 16, 2011. Council President Jan Cooper called the meeting to order. Pastor Gordon Sandquist began the meeting with a scripture reading.

Members present: Jim Nelson, Joyce Cantrell, Laura Clifton, Kristi Fronce, Coleen Esping, Jan Cooper, Woody Kasselmann and Pastor Gordon Sandquist.

### Reports

*Secretary's Report:* Coleen moved to approve the report. Joyce seconded. The secretary's report was approved.

*Treasurer's Report:* Coleen moved to approve the report. Joyce seconded. The treasurer's report was approved.

### Pastor's Report:

Pastor Gordy expressed thanks to all those who attended the annual meeting. He also expressed thanks to the Council, as well as the Altar Guild, for all they do to keep things running smoothly.

Pastor has conducted 18 visits to members at home, in hospitals or nursing homes.

He reported that we need to check the sound system to make certain everything is working properly.

Confirmation – Casey Nelson is added as a confirmation student from Olsburg.

The Greater Church – Pastor Gordy will be in Kansas City for a convention March 11-12 as a representative of Synod Council.

Sonja will be on vacation March 16-23.

We need to begin a review of the constitution and look for necessary changes/updates. Our goal is to have this review completed by the 2012 annual meeting so we can have it approved during that time.

Installation of council members is planned for February 27th.

### Old Business

Crossroads – This program will begin on March 19th in Salina. There will be ten meetings - some

may be on-line. Two of the meetings will in Salina. There should be 4-5 members from each congregation in attendance. The goal is to find the strength in each church and conduct work outside the church itself. Joyce moved and Jim seconded that we participate in the Crossroads program. The motion carried. Gordy and Sonja will look for people from the church willing to participate in the meetings. The funds used to pay for the membership will come from Westar Community Partners. These funds were donated to the church by Westar Energy in Jan Cooper's name. Jan designated the funds to be used for this worthy outreach and fellowship program.

Swedish Supper Profits – It was clarified that the proceeds from the supper should go to Pastor Gordy, as voted on during the annual meeting in January.

Cemetery Funds – Discussion was held concerning the cost and upkeep of the cemetery. We discussed fundraising options.

### New Business

It was mentioned that both a stove and refrigerator are needed for the church basement. Council members will watch for sales.

Diane Nelson was in attendance at the meeting as a special guest. She requested approval to use the church on May 14, if necessary. She and Jim will be renewing their wedding vows that day. Their plan is to use the park, but in case of rain, they would like to use the church. It was suggested they reserve the date on the narthex calendar.

Diane also presented some information on a food pantry she would like to start in the Olsburg community. She is looking for space to be used for distribution. She presented information on how the program works. The council asked Diane to get some additional information and we will discuss at the next meeting.

Lent Offering – There is a balance of \$649 in offerings from the last two years. This is currently being kept in a discretionary fund to be administered by the pastor. Coleen moved to continue adding the 2011 offerings from Lent to this fund to be used to help those in need. Kristi seconded. The motion carried.

Constitution Committee – Coleen and Laura both volunteered to be on the committee.

Church Clean-up – The council will plan for a clean-up in April and discuss further at the next meeting.

The meeting adjourned with The Lord's Prayer.

## **ELCA Commits \$240,000 For Response to Japan Disaster 11-032-JB**

CHICAGO (ELCA) -- The Evangelical Lutheran Church in America (ELCA) today committed \$240,000 in response to the massive earthquake and tsunami that struck northern Japan March 11.

"It is with our strong, expansive network of global companions that we as the ELCA are responding to Japan's devastating earthquake and tsunami," said the Rev. Mark S. Hanson, ELCA presiding bishop. "Our church's long-established relationships -- both Lutheran and ecumenical -- are enabling us to engage effectively with communities as they recover from this massive disaster."

"I urge all of our members and congregations to give generously and to pray for the people of Japan and for our companion church there, as they face both dangers relating to the damaged nuclear facilities and the massive humanitarian crisis resulting from the earthquake and tsunami," he added.

Specifically, the ELCA is sending \$40,000 to The Lutheran World Federation, Geneva, to support a disaster response expert from India who will assist the Japan Evangelical Lutheran Church and two other Lutheran churches. The ELCA is sending \$100,000 to the Japan Evangelical Lutheran Church, the ELCA's companion church, for its disaster response efforts. The ELCA commitment includes another \$100,000 for Church World Service, New York, to support an ecumenical disaster response in Japan through the Japan Platform, a consortium of 32 Japanese nonprofit organizations, and the National Council of Churches Japan.

Through March 18, ELCA members have given approximately \$250,000 to support the ELCA response in Japan. Hanson said he is pleased with the gifts provided by ELCA members, and said 100 percent of the funds will be given for the local response through the Japan Evangelical Lutheran Church and ecumenical partners.

"Given the historical relationship with the ELCA, the Japan Evangelical Lutheran Church is suggesting to other organizations that assistance from U.S. Lutherans be channeled through the ELCA," the presiding bishop said in a March 18 message to the ELCA Conference of Bishops.

Japan's National Police Agency reported March 18 that nearly 7,000 people have been

confirmed dead and more than 10,000 people are missing as a result of the earthquake and tsunami. Church World Service reports more than 460,000 people are being sheltered at evacuation sites.

The ELCA churchwide organization requested that all eight of its missionaries living and serving in the Tokyo area seek alternative housing for the immediate future further west of the city because of the threat from earthquake-damaged nuclear reactors, said Megan Bradfield, program director, ELCA International Disaster Response. She said at least six have already left. The ELCA has 22 missionaries serving in Japan.

In his message to the bishops, Hanson said the ELCA "is blessed with a deep and enduring relationship with the Japan Evangelical Lutheran Church" that goes back more than 100 years. The ELCA South Carolina Synod is a companion synod with the Japan Evangelical Lutheran Church.

The Japan church is already providing food and shelter to people in need, and it is working with other Christian churches plus partner organizations in areas where there are Japan Evangelical Lutheran Church congregations, Hanson said.

Hanson said the disaster expert from India who will help in Japan has had recent experience with the disastrous 2004 tsunami that struck several countries in the Indian Ocean.

The ELCA is a member of Church World Service, an ecumenical development and disaster response organization, which has a longstanding presence in Asia. Church World Service is working with and through its historical companion, the Japan Platform, to provide a coordinated response to meet basic needs of people currently living at evacuation sites, including distribution of blankets received from within the region, Hanson said. The ELCA's gift to Church World Service will help provide an "immediate response to 5,000 families and a broader coordinated effort among the Christian family," he said.

"Thank you for your prayers, and for encouraging the congregations of your synod to join with others throughout The Lutheran World Federation in prayer for the people of Japan and for our companion church there as this crisis continues to unfold," Hanson added.

Financial gifts for the Pacific Earthquake and Tsunami can be contributed at <http://www.ELCA.org/japanearthquake> on the ELCA website. Credit card gifts may be contributed by calling 1-800-638-3522. Gifts designated for the Pacific Earthquake and Tsunami can also be sent to: ELCA Disaster Response, 39330 Treasury Center, Chicago, IL 60694-9300.
