

TOGETHER IN FAITH

Let us gather as a community to celebrate the blessings that surround us

By Pastor Kaylie Ines

As we approach the season of Lent, we are invited to pull back the soil and look at the "roots" of our faith. Historically, Lent began as a rigorous season of preparation for new converts awaiting their baptism on Easter. It was a time to strip away the non-essentials and focus on what is truly central to being a follower of Christ.

This year, our Lenten series takes us back to those foundations. We are diving deep into the heartbeat of Jesus' ministry: radical welcome, love for neighbor, care for the vulnerable, and nonviolence in the face of injustice.

Returning to the Roots- The word "radical" often feels like it belongs to modern politics, but its origin is much deeper. It comes from the Latin radicalis, meaning "root" or "ground." When we speak of Jesus' ministry as radical, we aren't just talking about it being "extreme"—we are saying it brings us back to our true home. Emulating Jesus grounds us in our original design: who God created us to be before the world told us otherwise.

In a world often heavy with "bad news," we are challenged to be "Good News People." This Lent, we want to remember that the Gospel isn't just a set of ideas; it is a lived, sensory experience.

The Good News is

The Taste of bread passed endlessly through a hungry crowd.

The Scent of expensive perfume poured from an alabaster jar.

The Sound of unexpected laughter and the quiet sigh of mercy.

The Joy of fine wine saved for the height of the celebration.

We hope this series provides fertile ground for our community to grow together. Through conversation and worship, we seek to root our hearts in the expansive goodness of God.

Let the teachings of Jesus lead us forward. May we be inspired to take action in a world desperate to hear, see, and taste what is truly good.
